

NOTIFICATION

Incubation cell of FRI Deemed to be University is actively working to provide a motivational platform for the entrepreneurial culture to take root into innovative minds of the students/ Ph.D. Scholars. The aim is to move our students from Techno–innovative to techno–entrepreneurship.

All the students/Ph.D. Scholars are requested to sent their innovative ideas to the Incubation Cell Coordinators by 17th August, 2020 –

1. Smt. Richa Mishra, Head, Extension Division, FRI - Incubation cell Coordinator
2. Dr. Vipin Prakash, Programme Coordinator, FRIDU - Incubation cell Coordinator
3. Smt. Ismita Nautiyal, Scientist- D, Forest Products Div., FRI- Incubation cell Coordinator

The Coordinators with the help of Resource persons of specific target areas shall help the students/scholars to make their ideas in the project proposal form for further submission to funding agencies.

(Dr. A.K. Tripathi)
