***Annual Sport:** Sports week celebrated every year is the symbol of the importance given to sports and physical fitness by FRI (Deemed) University. This also provides an opportunity of interaction among students, Ph.D. scholars, scientists and university staff. The most important part of sports week is development of the feeling of sports men ship, unity, team work and desire to win. The students are divided into four houses i.e. Teak house, Pine house, Sal house, Sandal wood house.
