

Thesis topic list of M.Sc. Forestry final semester 2018-20 Batch

1.	Abhishek Rawat	CROSS SPECIFIC AMPLIFICATION OF MONGOLIAN OAK (<i>Quercus Mongolicafisch. Ex Turcz</i>) MICROSATELLITE MARKERS IN HIMALAYAN MORU OAK (<i>Quercus Floribunda</i> Lindl. Ex A. Camus)
2.	Adarsh Jha	Soil Erosion Vulnerability Analysis Of Sub-Watershed Of Asan River, Uttarakhand
3.	Ahamed Raza N	Assessment of Agroforestry practices in Vikasnagar Block of Dehradun District, Uttarakhand with special reference to their Socio-Economic Impact
4.	Aita Bir Biswa	Distribution Of Himalayan Griffon (<i>Gyps Himalayensis</i> Hume) In Trashigang District, Bhutan And People Attitude Towards Vulture
5.	Anjali Vats	Comparative Study Of Ethnomedicinal Plant Diversity And Their Uses In Bhiwani, Jhajjar And Mahendragarh Districts Of Haryana
6.	Ankit Mahla	Carbon Content Of Bamboo Species In Tropical Regions Of The
7.	Ankush Chowdhury	Study Of Changes In Flower Phenology Of Rhododendron Arboreum And It's Possible Connection With Climate Change In Indo- Himalayan Region
8.	Arun Narayan	Aboveground Biomass And Carbon Stock Estimation Of Santala Devi, Uttarakhand
9.	Ashita Joshi	Transspecific Amplification Of Mongolian Oak (<i>Quercus Mongolica</i> Fisch. Ex Turcz) Microsatellite Markers Inhimalayan Banj Oak (<i>Quercus Leucotrichophora</i> A. Camus)
10.	Ayushi Yadav	Short Term Dynamics Of The Coral Reef Communities In A Protected Coral Ecosystem
11.	Bageshwar Singh	Floristic Inventory Of Kanjli Wetland - A Ramsar Site In Punjab, India
12.	Bokivi Sema	Effect of Different Soil Mixtures on Propagation of <i>Bacopa monnieri</i> in Nursery
14.	Deepak Bhandari	Phyto-diversity Assessment of AssistedNaturally Regenerated Forest and PlantationSystem of Badkal Aravali Forest, Haryana
15.	Deepak Dobhal	To Study The Impact Of Forest Fire On Soil Properties In Almora Forest Divisi Of Uttarakhand
16.	Deepak Kumar	Identification and Validation of Microsatellite Markers in <i>Rhododendron campanulatum</i> D. Don through Cross Transferability
17.	Deepanshu	Potential Role Of Species Distribution Models (Sdm) In Conservation Actions For Red-Headed Vulture (<i>Sacrogyps Calvus</i>) & Steppe Eagle (<i>Aquila Nipalensis</i>) In The State Of Uttarakhand
18.	Gourav Kumar Sahoo	Potential Non Timber Forest Products Of Bonai Forest Division
19.	Himani Saklani	Ligneous Plant Diversity In Santala Devi,

20.	Inamul Hoque	Impact Of Arecanut Monoculture On Plant Diversity In Tura, West Garo Hills, Meghalaya
21.	Kajal Arora	Sustainable trade and utilisation of hula and moss: Case study of Bibiwala Depot, Dehradun, Uttarakhand
23.	Mathesh Sundar N	Carbon Sequestration Potential of <i>Tectona grandis</i> L. f
24.	Mayank Kumar	Bamboo Market of India and It's Basic Taxonomical Study
26.	Miranda Thakur	A Study On The Present Status Of Bengal Florican (<i>Houbaropsis Bengalensis</i>) In Manas National Park, Assam, India
27.	Mrinal Sharma	Evaluation Of Different Processing Methods On Quality Of Medicinal Plants
28.	Myint Soe	Habitat Suitability Model Of Endangered Eld's Deer (<i>Rucervus Eldii Thamin</i>): Identifying Potential Areas For Conservation In Chatthin Wildlife Sanctuary, Myanmar
29.	Nancy	Comparative Analysis of the Carbon Content % and Various Nutrients in Different Components of Tree Species
30.	Nikhil Khatak	Composition And Utilization Of Agroforestry Systems For The Rural People In Dhulkot Village Of Dehradun District
31.	Nim lham	Macroinvertebrate Diversity In Damchothang River; Headwater Stream Of Dangchhu
34.	Shashank Kumar	Assessment Of Quality Of <i>Withania Somnifera</i> Roots
36.	Soham Majumdar	Molecular Charecterization Of Species Of <i>Fejervarya</i> Using 12s Rrna As Molecular Marker
37.	Sreelakshmi P.	Study on the effect of different pre-treatments on germination parameters of three cover crop species: <i>Calopogonium mucunoides</i> , <i>Centrosema pubescens</i> and <i>Pueraria javanica</i> .
38.	Surabhi Joshi	Comparative Analysis of the Carbon Content in Different Components of Bamboo species in Tropical regions of the World
39.	Suyash Dhiman	Utilization pattern and Supply chain of <i>Morchella esculenta</i> and <i>Rhododendron arboretum</i> In Chamba District of Himachal Pradesh
40.	Tanujeet Ghosh	Preparation of Nanofertilizer using solid waste: A review.
41.	Tejender Rana	Cultivation and Estimation of Growth & Biomass of <i>Thymus serpyllum</i> in Different Soil Mixture Conditions in Nursery
42.	Vishaka Thapa	Ethno Botanical Study Of Van Gujjars Of Rajaji National Park, Uttarakhand
43.	Wai Yan Phyo	Habitat Suitability Modeling Of Vulnerable Asiatic Black Bear (<i>Ursus Thibetanus</i>) In Taninthayi Nature Reserve, Southern Myanmar.
